SUMMARY

Computer Science graduate specializing in AI & Machine Learning with hands-on experience building web and ML applications using Python, Django, Flask, SQL, and Scikit-learn. Strong foundation in data structures, algorithms, and problem solving, with a passion for developing scalable software solutions.

EDUCATION

2026	B.Tech At Srinivasa Ramanujan Institute Of Technology, Anantapur	(GPA: 8.1)
2022	Intermediate At Sir C.V Raman Jr College, Anantapur	(GPA: 8.2)
2020	SSC At Zilla Parishad High School, Thimmampalli	(GPA: 8.8)

PROJECTS

Medical Chatbot – AI-based Healthcare Assistant :

 [Link](#)

Problem Statement : Users lack instant access to preliminary medical guidance for common symptoms.

Objective : To build an AI chatbot that predicts possible diseases based on user-entered symptoms.

Technology Stack : Python, Flask, Scikit Learn, NLP, HTML, CSS.

Outcome: Developed an AI healthcare chatbot using Flask and Scikit-learn to predict diseases from user symptoms.

Text to HTML Converter :

 [Link](#)

Problem Statement : Beginners struggle to understand how plain text is converted into HTML.

Objective : To convert plain text input into clean, properly formatted HTML code automatically.

Technology Stack : Python, Django, HTML, CSS, JavaScript.

Outcome : Developed a Django-based application that converts plain text into structured HTML automatically.

TECHNOLOGIES

Programming Languages: Python, HTML, CSS, C, Java

Frameworks/Libraries: Django, Flask, Scikit Learn, Bootstrap

Database: SQL

Core Computer Science: DSA, OOP, SDLC, DBMS, Computer Networks, REST APIs

AI/ML: Natural Language Processing, Pandas, NumPy, Machine Learning, Data Analysis

Version Control and Tools: Git, GitHub, MS Excel, VS Code, PyCharm

Soft Skills: Problem Solving, Analytical Thinking

CODING PROFILES

LeetCode: 200+ Problems Solved | [Shanmukha2004](#)

CodeChef: 300+ Problems Solved | [Shanmukha2004](#)

Codeforces: 100+ Problems Solved | [Shanmukha2004](#)

CERTIFICATES

Static Web Development - **Nxt Wave CCBP 4.0**

Completed Internship on **Full Stack Development by SmartBridge and APSCHE.**

EXTRA CURRICULAR ACTIVITIES

- Active Member of National Service Scheme(NSS)
- Participated in Hackathon

HOBBIES

- Coding
- Listening Music
- Playing Cricket
- Cooking
